

Monster Driving Test – User Stories

- ❖ As a user, I want to have a surface with specific width and length.
- ❖ As a user, I want to have a start point for the monster truck into the width and length of that specific surface.
- ❖ As a user, I want to select one of the 4 possible directions (N, E, S or W) for the monster truck when the start point has been chosen into the surface.
- ❖ As user, I want to input one or more specific driving commands to be executed for final driving result.
